OTHER DRINKS

When it comes to drinks, we're amazing at serving more than just cocktails.

Beer:

Our beers of choice come from [Lost & Grounded](#), who offer authentic German style pilsners, alongside IPAs, stouts and more. We can offer this canned or on draft.

If you prefer to provide your own beer, we'll stick it on ice for you.

Wine:

Who needs wine when there are amazing cocktails on offer?? OK, OK, we understand that some people need their Sauv Blancs, so grab some bottles and we'll chill it for you - we'll even organise the glassware hire.

Need some tips on how to throw a party at home? Check out [our blog](#) for some tips and tricks.
